

Guidelines for the Southeastern Zonal Forum of Narcotics Anonymous

Approved December 6, 2020

Mission Statement

The mission of the Southeastern Zonal Forum is to provide a regularly scheduled time and place where representatives of the member regions come together to further our primary purpose, "to carry the message of recovery to the still suffering addict", through service-oriented discussions, workshops, events and task forces. The Southeastern Zonal Forum's primary function is to facilitate joint, multi-regional efforts that serve our member regions and are directly responsible to the Regional Service Committees within the zone.

1. The Forum is comprised of Regional Delegates and Alternate Delegates from within the geographical boundaries of the Southeastern Zone.
2. To accomplish its primary purpose, the Southeastern Zonal Forum has established guidelines that provide direction and accountability for its actions. Changes to the guidelines require consensus.
3. The Southeastern Zonal Forum will conduct itself in accordance with the Twelve Traditions and the Twelve Concepts for NA Service so that a spirit of selfless service and not of government remains always as its guidepost.
4. The SEZF shall act as a service to the Regions and not as another level of service between the Regions and NAWS.

Meetings and Rotation

1. The Forum location will rotate among the participating regions according to the following schedule (or a schedule agreed to among the zonal participants based on pricing and availability): Florida, Alabama/NW Florida, Carolina, Georgia, South Florida and North Carolina. The host Region is responsible for finding meeting space for the Forum.
2. Multi-regional events, workshops, learning days etc. may be held as needed or requested by member Regions.
3. The December meeting in odd numbered years will include a zonal CAR workshop held after the publishing of the Conference Agenda Report. The zonal meeting prior to the WSC will include a zonal CAT workshop held after the publishing of the Conference Approval Track.
4. The Zonal Facilitator will request participation from NAWS at least 3 months prior to the proposed date of the zonal CAR and CAT workshops if requested by the zone.
5. Typically, The Southeastern Zonal Forum workshop(s) will occur on a Saturday and the business meeting will occur on Sunday. The meetings will be located near a major airport with shuttle service available to the facility. The workshops will include other service and/or recovery-oriented topics as requested by the region hosting the zonal forum.
6. The time, location and date for zonal meetings for the conference cycle will be set at the first zonal meeting before the WSC.
7. The agenda for the next Zonal Forum meeting will be set by the Facilitator with input from the Regional Delegates.

Definition: Consensus Based Decision Making

Consensus is defined as the decision-making process used by the SEZF in which discussion and compromise are used to reach agreement. For example, if a proposal /topic is introduced to change, or create a practice of the Southeastern Zonal Forum and consensus is not reached, the practice will continue as it currently stands or will not be implemented.

Procedure: Consensus Based Decision Making

1. Proposal / Topic is introduced
2. The facilitator opens the dialogue. Begin with the maker of the proposal / topic
3. Clarifying questions are taken. This is when questions are asked to ensure that all participants understand the proposal / topic. This is not the time for general discussion
4. Facilitator asks for concerns or reservations (General Discussion). This is when modifications may be made to the proposal / topic to address expressed reservations or concerns
5. Facilitator asks for Consensus

6. A voting member may “Stand Aside”. This means that the member is removed from the vote count and does not affect the vote.

CONSENSUS is reached when 80% of the RD's and AD's are in favor of a proposal/topic.
